Text Included on Any Image: first 12 words - one time charge \$5.00, additional text - inquire

Ink Jet Prints from Computer Printer:

When you need fast delivery of one or two photos where a compromise in quality, permanence and stability is acceptable. One image any size or combo on 8"x10" sheet \$20.00

About Preview Prints:

Preview prints are intended to give a reasonable preview of content, composition, pose and expression. Previews are presented in electronic form on the internet. They are password protected so you have control over who sees them. Previews usually do not include retouching unless this is a primary element of the presentation. Undesirable shots are eliminated before previews are shown. This is done at the photographer's discretion.

Black & White Photography & Special Effects:

All photography is produced with an original color digital file. Any photo can be rendered in Black & White or color with a variety of special effects if desired. There is no charge for this alone. Photos can also be rendered in a combination of Color and Black & White. This is an artistic process and requires sometimes considerable labor. Prices by estimate.

Digital Photo files on CD:

Digital photo files are available to customers who have purchased the right to reproduce the photographs. After this process the files will be made available for \$20.00 each image finished on CD or by e-mail. (I generally do not release unfinished images). Each image will include .jpg files in a range of sizes from VGA up to 3600x2700 pixels depending on the proportions of the image and customer requests.

Each image \$20.00

Permission to Reproduce or Publish Images:

All images are protected by copyright from reproduction without specific permission. This excludes certain fair use such as editorial publication. Permission is usually available for a price from the photographer. This permission may be available on a TFP or TFCD basis. inquire

Available Print Finishing:

Dry mount, Foam Board Mount, Canvas on stretcher frame, and Other inquire
